

Foundation Loan Rates

The United Methodist Foundation of New England's Loan Committee continuously reviews market conditions and when deemed appropriate, adjusts rates bi-annually to offer competitive rates to United Methodist churches and agencies of the New England Annual Conference who wish to refinance debt or build, renovate, and expand facilities.

The rates are current as of October 1, 2024. All rates are subject to change without notice. For more information about loan rates and programs, please contact Tom Kinney, Foundation Loan Officer, 800-595-4347 x107.
