

Gordon T. Hersey Fund Application Information

Mr. Hersey created the Gordon T. Hersey Fund to support “the general charitable purposes” of United Methodist Churches on the South Shore. Faith communities in the following communities qualify to apply for this grant: Scituate, Braintree, Holbrook, Quincy, Marshfield, Hull, and Weymouth.

To apply for this grant, please submit a one-page letter describing how you would use the grant money in your faith community. In the past, grants have supported specific projects or general costs associated with being in ministry. The letter needs to be received at the Foundation no later than **May 8** of the current year.

Please submit the application electronically to Adama Brown, abrown@umfne.org. The recipient(s) of a Gordon T. Hersey grant will be notified by the Foundation by June with funding beginning in July. Currently, we anticipate there will be up to \$6,000 annually and available for one or more grants to be paid in quarterly increments throughout the year.
